

## **Fulton County 4-H Still Project Winners Announced** **Results from: Thursday, July 13**

**Remaining project area results to be posted at the start the business day following their judging.**

The Fulton County 4-H Program is proud to announce the following still project judging results from Thursday, July 13, 2023. Still projects make up 1/3 of our program and are the projects which are not "moving", or animals shown at the fair.

Still project judging is held at the Fulton County Ohio State University Extension Office. The youth have demonstrated they understand their projects and are determined to grow within.

The two project areas judged on Thursday, July 13 were Natural Resources and Shooting Sports. Youth participating in County Project Judging are eligible to represent Fulton County at the state level—those youth are designated as a State Fair Representative (SFR). Youth with projects who achieved an outstanding mark have been awarded as County Winner (CW). Other youth who stood out amongst their age division and peers received Honorable Mention (HM). We are so proud of all our youth, congratulations to all!

Please NOTE: Some categories may not be listed, or have limited designations, if judge determined to not award higher honor.
