The F & M State Bank would like to congratulate all the
Fulton County Jr. Fair Exhibitors on their hard work and commitment to their projects.

IMPORTANT NOTICE TO BUYERS

The Junior Fair Livestock Sale will again be a "Buyer Contribution" sale to support our 4-H and FFA youth. Other fairs using this format have found the process is clearer for both the youth and the buyers. In a Buyer Contribution Sale the bidding starts at \$-0-, and the bidding at any time only reflects the contributions of the bidders. The checks that the youth receive after the sale will reflect the buyer contribution, less commission and promotions, plus the market price for their animal.

The Junior Fair Sale still offers the opportunity to have an animal custom killed for the meat product. Buyers who want custom slaughter of a purchased animal must immediately upon completion of bidding, yell "hold that animal" and tell the auctioneer to which slaughter-house to send the animal and sign a custom kill form. Market prices for animals are available in the Sale Trailer.

NOTE: Only a buyer or seller of an animal can custom an animal. The exhibitor will have the first right to custom an animal (as noted in the sale catalog). The Livestock Sale Committee will only collect support price of animals custom killed by buyers. Animal's custom by seller will receive donations only from sale committee and the seller will be responsible to collect support price. *Turkeys, Pen of 3 Poultry, and Rabbits cannot go custom kill.*

All market hogs, lambs, and steers going custom kill will be hauled by commercial carrier for slaughter to a fair designated slaughterhouse at either St. Mary's Meats or Myers Slaughter House at the expense of the purchaser.

The Livestock Sale Committee will allow buyers to collaborate together to purchase animals; however, groups will be limited to five (5) bid numbers per animal and each bidder number will be limited to two (2) related businesses.

The of the sale are cash. Please settle all accounts at the end of the sale with the clerks from the Farmers & Merchants State Bank in the trailer located outside at the NW corner of the show arena prior to leaving the grounds on sale day. The sale committee reserves the right to charge interest on unpaid balances after 30 days.

There will be a \$25.00 minimum if an individual wishes to add to a seller's donation through the Jr. Fair Sale. This includes all individual animals, the gallon of milk and the horse item.

SUPPORTING 4-H & FFA YOUTH

In order to support all youth showing dairy projects at the fair, the Fulton County Dairy Association will be giving \$150.00 to each 4-H and FFA member showing dairy projects #122 and #126 at the Fulton County Fair. Thank you notes should be sent to Hal Brehm, Treasurer, Fulton County Dairy Association, 4308 County Rd FG, Delta, OH 43515

VOLUNTEERS

All auctioneers and all other persons associated with the Livestock Sale are donating their time to Fulton County youth. Farmers and Merchants State Bank is donating the services of several of their employees for several days to support 4-H and FFA youth and the Fulton County Fair.

Participation in the Junior Fair "Buyer Contribution" Sale where the exhibitor walks their animal through the ring for a donation is voluntary unless you have a Grand or Reserve Champion.

Grand and Reserve Champion Hogs, Lambs, Market Steers, Goats, Rabbits, Chickens, Turkeys and all market animals will become the property of the Fulton County Fair Board and must go to slaughter.

This year the 4-H Horse Program has approximately 80 participants. The sale of the Horse Item at the Jr Fair enables us to continuously expand their educational environment. The fund generated from the sale help with annual operating costs such as judges, awards, and clinics. The sale also helps with general improvements and maintenance of the barns, arenas, and entry booth. Your contributions also help with the annual awards and recognition of the Outstanding 4-H Horse Member of each 4-H horse club.
