The Journey Continues...

Dear 4-H Members, Families and Advisors:

Welcome to the Jr. Fair Issue of the 4-H Extension Connection newsletter! In this issue you'll find updates and changes related to the shows and rules for the Fulton County Jr. Fair. Junior Fair rules that I would like to draw special attention to are:

- **“No Sale Animals” must be loaded after the species sells in the ring.** See the Jr. Fair News section of this newsletter.

- If your designated “donation” sale animal is not coming to the fair, you must notify the Extension Office by 4:00 p.m. on the Wednesday before the fair. The computer program does not default your chosen sale animal to another animal. If you do not notify the Extension Office of the change, you may not get your name in the Donation Sale Catalog. You will still weigh-in and show your animal, but it will be loaded on the truck before that species sells and you will only get the support price of the animal. Please take responsibility for this and notify the Extension Office.

Changing your “donation” sale animal is only permitted in the following cases:

a) an animal is chosen as Grand or Reserve Champion  
b) death of an animal at the fair, or  
c) if the Extension Office was notified before fair of an animal not coming to fair, or  
d) designated sale animal does not come to the fair.

- A draft copy of the “Donation” Sale Catalog will be posted in the barns on Friday afternoon. If you have a correction for it, please put in the mailbox at the sale trailer by the Sale Arena by Monday noon.

- Just a reminder, you can access our website for many of the 4-H forms, applications, newsletter, calendar and other pertinent information. It may even save you a trip to the Extension Office. The website address is http://fulton.osu.edu, then look under 4-H Youth Development.

As always, my door is open for questions or comments to improve the 4-H program. Have a good August and I'll see you at the fair!

Sincerely,

Jill Stechschulte

UPCOMING 4-H ADVISORY COUNCIL MEETING
September 19, 7 pm, OSU Extension
All advisors are welcome to attend.
Pre-Fair Project Judging was very successful again this year. However, there are some youth who did not come to judging. Head advisors, please make sure these youth are interview judged before the fair, and record the grade on your project score sheet. A, B, C ribbons will be available to advisors at the Extension Office (M-F, 8:30 am-12:00 noon or 12:45 to 4:30 pm) and at the Jr. Fair Building set-up and the Jr. Fair Board office.

Drug Use Notification Forms (DUNF) – Advisors (4-H & FFA) don’t forget to pick up your DUNF forms at the Extension Office if you have not already done so.

Due by Sept. 19, 4:30 p.m., at the Extension Office:

4-H Grade Sheet Report— Your club’s grade sheet report will be mailed to head advisors.

Outstanding 4-H members—You may use the form called the “Evaluation Guidelines for Outstanding 4-H Members” when choosing the Outstanding 4-H Members for your club, but it is not mandatory. This is available on the website http://fulton.osu.edu (look under 4-H Youth Development and then click Advisor Forms & Applications).

Community Service Project List – Submit a list of the community service projects your club completed this year to be considered an Outstanding Community Service Club. Please put these in writing so I may have evidence of the good things the community benefits from through 4-H.

4-H Honor Club Form – Accumulate 125 points or more to be named an Honor Club. This form is available at the Extension Office and the following website address: http://fulton.osu.edu (look under 4-H Youth Development and then click on Advisor Forms & Applications).

News Reporter, Treasurer and Secretary Officers Books for the 4-H Record Keeping Contest. Youth submitting officer books will be eligible for the Huntington Bank 4-H Record Keeping Awards Night. This includes Club Historian and scrapbooks.

Friend of 4-H and Outstanding 4-H Alumni Nomination Form - Each year the Fulton County 4-H Council sponsors a Friend of 4-H Award and an Outstanding 4-H Alumni Award. Any individual, family, or business is eligible to receive the award that is a current supporter at the time of application and has given observable or measurable support and contribution to the Fulton County 4-H Program.

If you are interested in nominating someone for either of these awards, forms are available at the Extension Office or at the following website address: http://fulton.osu.edu (look under 4-H Youth Development and then click on Advisor Forms and Applications).

Failure to Meet Requirements to Show/Exhibit at the Fair - Head Advisors, you are to notify the Extension Office of any 4-H member who fails to finish all of their projects OR did not make the five meeting requirement. Failure to meet either of these two objectives results in Jr. Fair ineligibility. The Extension Office needs to be aware of this before fair week.

Please remember, youth must be complete in all projects to exhibit at the fair. If youth are in 2 clubs, they must be complete in all projects in both clubs to exhibit at the fair.

Livestock Interview Judging - Advisors, August 1st will mark the beginning of interview judging for livestock projects for junior fair eligibility. Livestock interviews including horses must be completed for fair eligibility.

Volunteer Help Needed - Five volunteers are needed to help grade the record keeping books at the Extension Office on September 19, 6:00 p.m. Please call or email the Extension Office if you can help.

4-H Council Meeting, September 19, OSU Extension Office meeting room, 7:00 p.m.
All 4-H advisors are welcome to attend. The agenda will be: Old Business – Judging, Outstanding Record Keepers, Advisor Banquet; New Business – Constructive Fair Comments.

4-H Advisor Banquet – The Silent Auction at the Advisor Recognition Banquet has been well received and will be continued again this year. Each club is asked to fill a basket or bring an item (of at least $10 in value) for the auction. The 4-H Advisor Banquet will be Sunday, November 13 at the OSU Extension Office. The banquet is an open event to all 4-H Advisors, spouses, family and friends. 4-H advisors are recognized for their achievement in service and their meal is provided free by the 4-H Council. Anyone else who would like to attend (adults/ youth/children), the charge is $10.00/person. We will also be having a Quarter Mania during the night.
2016 Jr. Fair News

JF1. JR. FAIR PARTICIPATION
Participation in the Fulton County Jr. Fair exhibits and shows is voluntary. It is the expectation of the Livestock Sale Committee and the Fulton County Fair Directors that you exhibit your own animal. Off grounds events are not considered special circumstances.

JF2. JR. FAIR MISCELLANEOUS BOOTH
If you would like to exhibit your 4-H project in a booth at the fair and your club is not having a booth display this year, you can exhibit your project in the Miscellaneous Booth. Bring your project display to the Jr. Fair Building at one of the following set up times: Tuesday, August 30, Wednesday, August 31, 5:00-9:00 p.m. and Thursday, September 1, 12 Noon – 9:00 p.m. An exhibit card will be available for you to fill out. Please make sure you sign in with your name, club, phone, project grade, project name and the item you are exhibiting.

Grade Ribbons for Advisors who judged miscellaneous and animal projects will be available for pick up during Junior Fair Booth set up (times above).

JF3. JR. FAIR BUILDING WATCH
We need adult volunteers from each 4-H club with a booth display in the Jr. Fair Building to help supervise the building. If your club has a booth, you must provide two representatives to share a two-hour block of time. This is a great opportunity to see friends, family and neighbors as they pass through the building and also a chance to look at all the different projects that 4-H, FFA and other organizations have to offer youth in Fulton County. Call the Extension Office for open dates and times.

JF4. VETERINARY ANIMAL CHECK AND WEIGH-IN AT FAIR
September 1, 12 noon- 8:00 p.m.
All youth must have their animal health papers and DUNF (if needed) checked and their animals cursory inspected by the vets at the fair. To do this, all 4-H and FFA youth must enter the fairgrounds off of County Road J, WEST of the Gerald Grain Elevator on Thursday (NOTE: new place of entry). Failure to enter properly could result in forfeiture of premiums. Scurrs: Fair veterinarian will be responsible to make the final determination on whether an animal with a scur will be allowed to show at the fair. A vet slip will be provided by Vet at check-in to prove that animals went through Vet check-in. You will present the vet slip to the weigh master at weigh-in for market and breed animals to pick up back tag numbers.

JF5. DRUG USE NOTIFICATION FORM (DUNF) AND QUALITY ASSURANCE PROGRAM
It is mandatory for all Ohio Jr. Fair market animal exhibitors to complete a Drug Use Notification Form (DUNF) and attend a Quality Assurance Program before showing their animal at the Fulton County Fair. This is a mandate of the Ohio Department of Agriculture. It is mandatory for all Fulton County Jr. Fair animal exhibitors to attend a Quality Assurance Program before showing their animal at the Fulton County Fair. This is a mandate of the Fulton County Livestock Sale Committee. Quality Assurance Certification from the Ohio Beef Expo and Pork Congress is also accepted for Fulton County Quality Assurance Certification.

All animals coming into Ohio from Michigan have health requirements. For a copy of the Ohio State Regulation Health Requirements governing the admission of animals, stop by the Extension Office or go to the following website address: http://www.agri.ohio.gov/animal/ For more information on current regulations, please contact: Dr. Tony Forshey DVM, Chief, Division of Animal Industry, ODA, 8995 East Main St., Reynoldsburg, OH 43068.
2016 Jr. Fair News Continued

JF6. 2016 ANIMAL TREATMENT PROTOCOL
1.) Animals will be veterinary inspected at the north gate as usual and the proper paperwork collected (DUNF, vaccination records, poultry receipts, health papers, etc.). Please have all necessary paperwork complete and ready! No outgoing traffic will be allowed at this gate during check in! We will have two incoming lines for inspection.

2.) We will give veterinary attention to individual animals as requested by the exhibitor or parent to fulfill a valid veterinary-client-patient relationship. If we see animals that require veterinary care, we will attempt to contact the exhibitor, but it is the exhibitor’s primary responsibility to report sick animals.

3.) Exhibitor must fill out a “request for treatment” form at the veterinary building.

4.) Fair veterinarians will be on the fairgrounds from 5:00-6:00 p.m. for daily treatments and examinations that have been requested during the day. Please try to have the exhibitor or parent present at that time to answer any questions.

5.) Emergency treatments/examinations (not during the designated time) will be done as seen fit by the veterinarians.

6.) The exhibitor, a parent, fair board member, or species director must contact the veterinarian for emergency treatments.

JF7. RELEASE OF ANIMALS
Non-market animals are removed from the fairgrounds after 7:00 a.m. on Thursday, September 8, except horses which are released after 3:00 p.m. on Thursday. Goats are released after 9:30 p.m., Wednesday, September 7.

JF8. HEALTH MANDATES FROM NORTHWEST VETERINARY HOSPITAL (Official Fair Veterinarian)
Drug Use Notification Forms (D.U.N.F.) are required on all market animals at the Fulton County Fair check-in/veterinarian inspection and for every animal treated during the fair, including non-market animals, animals treated by owners, and other veterinarians. It is the owner’s responsibility to complete a new D.U.N.F and give to the official fair veterinarians; if not, the exhibitor is responsible for any consequences.

All sheep are required to be Scrapie tagged before they enter the fairgrounds, no exceptions! Scrapie tags are not available at the scales. All goats and sheep must have a Scrapie card with them at veterinarian check in when entering gate J on Thursday.

Jr. Fair Health Requirements for sheep, stipulate there be no evidence of fungal infections. For a fungal infection to be considered noninfectious, the lesion must have no scale or crusting present and show some evidence of wool re-growth. If there are any questions regarding health issues, please contact the fair veterinarian prior tofair for a ruling. The official fair veterinarian’s decision is final.

Check-in at the fair: Animals will be cursory inspected at the gate as done previously. All animals will be more thoroughly examined early Friday morning. Fair veterinarians will closely inspect each animal at that time. The Fulton County Fair is a slick-sheared market lamb show. All lambs must be slick shorn within 10 days of inspection at the gate. Any lambs not slick shorn will be turned away. The lambs must be slick shorn before they can enter the fairgrounds. If any animals show evidence of a contagious or infectious disease, they will be removed from the grounds as soon as possible.

JF9. SCAPIES DISEASE REGULATIONS
All market ewes, wethers and breeding sheep must have the ODA approved Scrapie ear tag of identification from the flock of origin before entering the Fulton County Fairgrounds. Scrapie cards are available on our website at http://fulton.osu.edu, 4-H Youth Development, Youth Forms and Applications.

All market goats, dairy goats, pygmy goats and Boer/Boer cross breeding goats must be tattooed or have an identification tattoo before entering the Fairgrounds, which includes Scrapie ID.

JF10. HELPING WITH CARE OF AN ANIMAL
Any adult helping a Jr. Fair exhibitor with caring for their animal that is not a 4-H advisor, FFA advisor, parent or sibling must pre-register with the Fair Secretary’s Office. Older Jr. Fair exhibitors should do their own. (This is an ODA Mandatory Grooming Rule)
2016 Jr. Fair News Continued

JF11. JR. FAIR ANIMAL REQUIREMENTS

BEEF BREEDING
Jr. Fair Entry Form required. DUNF not required.
Do not need to be blood tested or TB tested. They do not need a health paper unless they are from out of state. **Out-of-state cattle must meet all requirements from ODA.** ODA rules are available at the Extension Office. Health papers are available from your vet.

DAIRY COWS (lactating animal)
Jr. Fair Entry Form required. DUNF required.

FEEDER CALVES (BEEF & DAIRY)
Jr. Fair Entry form not required. DUNF not required.
Must have been electronically ear tagged in June.
Health papers are not required, although beef animals must be free from warts, ringworm and other diseases. Must present proof of vaccination from the vet who supplied the animal with the vaccine. Two doses must be given before the fair.
The Jr. Fair Feeder Calf show time is 11:00 a.m. (Dairy then Beef)

MARKET STEERS
Jr. Fair Entry form not required. DUNF required.
Must have been electronically ear tagged in January.
Health papers are not required, although beef animals must be free from warts, ringworm and other diseases.

HOGS
Jr. Fair Entry form is required. DUNF required.
You will need to take the DUNF to the weigh scale with you. In the chute we will EID tag the hogs because we move them out of state for harvest. They cross the state lines so we have to comply with federal regulations that require this tag by law. At the weigh scale we will write the EID tag number on your DUNF and then keep the form (for hogs only). **NO FORM< NO WEIGH IN>NO EXCEPTIONS.** Don’t leave the DUNF in your pen, truck or tack box. All out-of-state hogs need a Pseudorabies test and a health paper.

POULTRY
Jr. Fair Entry form required for poultry and poster contest.
Market Pen of 3 Chickens and Turkeys - DUNF required.
Layer Hens, Ducks, and Geese - DUNF not required.
Turkeys, Broilers, Layers, Fancy: Bring Pullorum-Typhoid free hatchery certificate.
Ducks: A pair of ducks exhibit is a breeding pair: 1 male & 1 female
Turkeys: The maximum weight for turkeys is 35 lbs. **Overweight turkeys will not be eligible for Grand or Reserve Champion.**
All poultry must be healthy to enter.

HORSES
Jr. Fair Entry form required. DUNF not required.
Jump Release, if applicable, due to Fair Secretary Office.

Youth Forms and Applications web page link:
http://fulton.osu.edu/program-areas/4-h-youth-development/youth-forms-and-applications
GOATS
Jr. Fair Entry form required for all.
No health papers are needed, unless the goats are out of state. ODA Rules are available at the Extension Office. For registered goats, bring a copy of your registration paper. For all other goats, tail tattoo or ear tattoo will be recorded for Scrapie tracking purposes.
All goats must have scrapie card with them at vet check in when entering gate J on Thursday. Dairy Market, and Boer Market Goat (or any lactating goat) - DUNF required. One per goat. Market goats must have been tattooed in June & recorded by the Extension Office. No Exceptions! Pygmy goats - DUNF not required unless in milk.

RABBITS
Jr. Fair Entry forms required.
Market Rabbits - DUNF required
Fancy/Breeding Rabbits - DUNF not required
Must be healthy to enter.

All MARKET and BREED rabbits must have a permanent and legible tattoo in the rabbit’s ear before checking in at the fair.

How to Get a Permanent Tattoo for Your Rabbit
For breed rabbits, there is a permanent tattoo kit available at the OSU Extension Office. Contact the office to make arrangements to borrow the tattoo kit by calling 419-337-9210.
Market rabbits (roasters and fryers) must have been tattooed at the Rabbit Tattoo Days

Tattoo Verification at the Fair: At Weigh-in/Check-In for fair, the Jr. Fair Board members will check the ear tattoo numbers so we can double check the records. Rabbits being removed from the show table at the fair will have their ear numbers checked with the 4-H member. The ear tattoo number will be written on the 4-H member’s back tag and checked to the ear tattoo as the rabbit is removed from the show table. If a 4-H member is watching a rabbit for another exhibitor, they must have a note on their person with the animal’s ear number listed. Please note: Pet rabbits do not go to the Fair. They were judged in July. Those who missed judging will be judged within the clubs.

SHEEP
Jr. Fair Entry form required for all Market Sheep and Sheep Breeding.
Market Lamb - DUNF required.
Breeding Sheep - DUNF not required.
All sheep must have Scrapie card with them at vet check in when entering gate J on Thursday.
Health papers are not required. Sheep with sore mouth or other diseases will not be allowed on the fair grounds. If the owner wants these animals examined prior to the fair, a regular call fee will be charged. It is strongly recommended for sheep that tail docks should be able to be lifted with a pencil. Sheep must have an ear tag from flock of origin upon weigh-in to comply with Scrapies Disease Regulations. A Scrapie ear tag is mandatory on all breeding and market sheep for the Fulton County Fair. All market lambs must be completely slick shorn within 10 days of the show. Wool may be left below the knees and the hocks only.

JF12. JR. FAIR ANIMAL REQUIREMENTS (non-livestock)

JR. FAIR DOG
DOG SHOW ENTRY forms are required with a Vaccination Certificate completed by a Veterinarian. Forms are due to Extension Office by August 1st. A $20 late fee applies.
DUNF not required.
2016 Jr. Fair News Continued

JF13. WALKING YOUR ANIMALS AT THE FAIR
Do not exercise animals in the pedestrian walkways, campsites areas and midway area. This is a safety concern for both the animals and the pedestrians! Out of courtesy to campers, please do not walk your animals in the camping area.

JF14. FAIR PENS
The Sr. Fair Board will withhold premiums from 1.) Exhibitors that have dirty or unsightly pens; 2.) Exhibitors who move their animals from assigned pens without prior approval from the Sr. Fair Board. Questions? Refer to the Fulton County Fair Book.

JF15. LIVESTOCK TRAILER PARKING
Jr. Fair livestock exhibitors should take their empty trailers home after bringing their animal (s) to the fair. The Sr. Fair Board suggests that if you need a trailer to store feed that you either share a trailer with other animal exhibitors or possibly the 4-H club could designate a trailer for its club members to use. Empty trailers parked south of the steer barns will be moved.

JF16. CAR PASSES FOR FAIR
If you are not camping at the fair and need a car pass to get you closer to the barns to bring in feed, you may pick up a load/unload car pass (one per family for large animals only, includes goats) at the Junior Fair Office during weigh-in time only.

JF17. JR FAIR PREMIUM CHECKS
The Jr. Fair premium checks are good for 30 days only! Please cash your check promptly, as the Sr. Fair Secretary must balance the account books to be audited.

JF18. APPROPRIATE DRESS FOR LIVESTOCK JUDGING AND SALE
This dress code is for all Jr. Fair animal exhibitors, except horses and dogs. Jr. Fair horse exhibitors should consult the Uniform Horse Rules Book. Jr. Fair dog exhibitors should wear nice dress clothes that complements the color of your dog and closed toe shoes.

This dress code should be followed for both the livestock show and sale.

Dark pants or jeans. Shorts are prohibited.
White collared shirt with sleeves. Youth with poultry and rabbit projects should wear long-sleeve shirts to avoid scratches. T-shirts and spaghetti strap shirts are not appropriate.
Hard soled shoes (work boots or cowboy boots). No tennis shoes or sandals. Exception: tennis shoes may be worn to show rabbits and poultry.
No hats or caps.
No clothing items with logos.
Rabbit exhibitors may wear plain all white lab coats with out names or logos.

JF19. NO SALE ANIMALS
The Fulton County Livestock Shows are terminal market shows – no market animal goes home. All 4-H or FFA market animals weighed in at the fair will go to slaughter. “Extra” no sale animals, which are market animals other than designated sale animals, MUST be brought to the show arena after the selling of that species to be loaded on a commercial carrier and hauled to market. This would include your second hog if you brought both a barrow and gilt to show. Feeder calves are not considered a finished market animal and are excluded from this rule. Failure to bring animals at the designated load time will mean loss of donation in sale ring on your other animal.
JF20. FULTON COUNTY JR. FAIR LIVESTOCK SALE (Market Beef)
Market beef will NOT be sold YIELD TO GRADE in 2016.

JF21. ENCOURAGE YOUTH TO ENTER OPEN CLASS SHOWS!
There is an Open Class Show for dairy, beef breeding, haul in calf show, goats, sheep, horses, photography, and vegetable gardening. 4-H members are encouraged to enter these shows to gain more experience. Consult the Fulton County Fair Book for entry guidelines and forms.

JF22. LIVESTOCK JUDGING CONTEST
An Open Livestock Judging Contest will take place on Tuesday, September 8, at 12 noon in Spangler Arena. All 4-H and FFA members are welcome to participate. Classes will consist of dairy, beef, sheep and hogs. Prizes will also be awarded.

JF23. GUYS AND GALS SHEEP LEAD COMPETITION
The purpose of this competition is to present a class of sheep in the most attractive manner to give spectators an opportunity to view a class of beauty and to acquaint the public with modern sheep production. This competition is open to boys and girls ages 4-19. The judging is on Monday at 6:30 p.m. in Spangler Arena. The entries and fees must be sent to the Fair Board Secretary, Sue Whitaker, or hand delivered to the secretary’s office on the fairgrounds. The entry fee is $2.00. Consult the Fulton County Fair Book for complete rules, regulations, and entry deadline.

Don’t forget to write thank you notes to sponsors who support our Junior Fair
