

Fulton County 4-H Still Project Winners Announced

Results from: Wednesday, July 15

Remaining project area results to be posted at the close of the business day of their judging.

The Fulton County 4-H Program is proud to announce the following still project judging results from Wednesday, July 15 judging. Still projects make up 1/3 of our program and are the projects which are not “moving” or animals shown at the fair.

Still project judging typically takes place annually in person at the Fulton County Ohio State University Extension Office, but due to coronavirus restrictions, the 4-H youth rose to the challenge of completing still project judging on Zoom this year and exceeded expectations. It is amazing how resilient youth can be in the face of adversity.

The three project areas judged on Wednesday, July 15 were Food & Nutrition, Clothing & Textiles, and Companion Animals. 51% of youth enrolled in these projects participated in the county level judging. Due to coronavirus Ohio State Fair was canceled, so the highest honor a youth could receive at the county judging was County Winner (CW). Other youth who stood out amongst their age division and peers received Honorable Mention (HM). Congratulations on a job well done to all!
