

Fulton County 4-H Still Project Winners Announced

Results from: Tuesday, July 12

Remaining project area results to be posted at the start the business day following their judging.

The Fulton County 4-H Program is proud to announce the following still project judging results from Tuesday, July 12, 2022. Still projects make up 1/3 of our program and are the projects which are not “moving” or animals shown at the fair.

Still project judging is held at the Fulton County Ohio State University Extension Office. The youth have demonstrated a great amount of skill and learning during their project presentations and interviews with the judges.

The two project areas judged on Tuesday, July 12 were S.T.E.M. and personal development. 58% of youth enrolled in these projects participated in the county level judging. Youth participating in County Project Judging are eligible to represent Fulton County at the state level—those youth are designated as a State Fair Representative (SFR). Youth with projects who achieved an outstanding mark have been awarded as County Winner (CW). Other youth who stood out amongst their age division and peers received Honorable Mention (HM). Congratulations to all!
